

Foundation for
North American Wild Sheep

Before going any further, I would like to take this time to pay my respects to a very special person. On early Saturday morning February 3rd, our hunting and wildlife conservation fraternity lost one of its greatest advocates and ambassadors, Dennis Campbell, Executive Director of GSCO. I am very fortunate to have had a great relationship with him and he was a person whom I considered a mentor and a true friend. Dennis was very good to Iowa FNAWS which created the strong bond which exists today between Iowa FNAWS and GSCO. Please join me in sending out our prayers to Dennis and his family.

Our annual Iowa FNAWS' Banquet and Fundraiser is fast approaching....March 10, 2018, at the Airport Holiday Inn in Des Moines.

We have a large assortment of live auction items, including many hunts, a couple of unique firearms, antique bear traps, and four coveted big game tags; Wyoming Bighorn, Wyoming Moose, Nebraska Elk and Iowa Whitetail. Attached is a preliminary list of the live auction items. As always we will have a large variety of gun raffles, numerous silent auction items, women's raffles, youth raffle and the ever-popular general raffle items.

For those of you who have not registered as of this mailing, I have included another registration form. If you have not decided on coming, please consider it...I guarantee you will have a great time.

Lastly, as I indicated in the last mailing, for the first time ever, Iowa FNAWS has come up with a mid-year calendar which runs from July 2018 to July 2019, featuring photos of our members who submitted pictures to be published. By purchasing one of these calendars for \$50, you will be placed in a drawing for 17 firearms which represents the twelve months of the year and five major holidays. Your entry into this drawing enables you to win multiple times, for once a name is drawn, it is put back in the pool. There are only 500 calendars printed and our hopes are to have them sold out by our fundraiser, so that the names of the firearms winners can be drawn at that time.

I have included a list of the firearms which are to be drawn, and on the reverse side form which you can fill out to purchase a calendar. Once received, we will place your name in for the firearm drawing and ship the calendar out to you. Please consider purchasing one if not several of these, they make great gifts!

So, in closing I hope to see you there on March 10th, and let's make it the best fundraiser yet.
